

## Perspectives on Congregational Leadership

### “Hidden Lives of Congregations”

1. Can you identify the lifespan stage of your past, current, or upcoming interim context? (A) What are the implications for your leadership function as an interim? (B) What insights can this knowledge provide for the congregation about its former pastor? About its future pastor? How can it help you as an interim?

2. In your view, what functional role will the congregation need of its next pastor:

- A. Founding Leader
- B. Turnaround Leader
- C. Legacy Leader
- D. Placeholder Leader
- E. Hospice chaplain
- F. Interim Leader

3. Can you identify the congregational size/style of your past, current, or upcoming interim context? Given what you know of the congregation, what is its potential for development? For numerical growth? What function will the congregation need of its pastor?
